

A Million Dreams - Lyrics

Soprano

They can say, they can say it all sounds crazy They can say, they can say I've lost my mind I don't care, I don't care, so call me crazy We can live in a world that we design Cause ev'ry night I lie in bed the brightest colours fill my head a million dreams are keepin' me awake I think of what the world could be A vision of the one I see A million dreams is all it's gonna take There's a house we can build Ev'ry room inside is filled with things from far away Oo on a rainy day They can say, they can say it all sounds crazy They can say, they can say we've lost our minds I don't care, I don't care if they call us crazy Run away to a world that we design Ev'ry night I lie in bed The brightest colours Fill my head a million dreams are keepin' me awake I think of what the world could be a vision of the one I see A million dreams is all it's gonna take Oh, a million dreams for the world we're gonna make However big however small let me be part of it all Share your dreams with me You may be right you may be wrong but say that you'll bring me along to the world you see To the world I close my eyes to see I close my eyes to see 'Cause ev'ry night I lie in bed the brightest colours Fill my head A million dreams are keepin' me awake I think of what the world could be a vision of the one I see A million dreams is all it's gonna take a million dreams for the world we're gonna make for the world we're gonna make

I close my eyes and I can see a world that's waiting up for me that I call my own Through the dark through the door through Where no one's been before but it feels like home They can say, they can say it all sounds crazy They can say, they can say I've lost my mind I don't care, I don't care, so call me crazy We can live in a world that we design Cause ev'ry night I lie in bed the brightest colours fill my head a million dreams are keepin' me awake I think of what the world could be A vision of the one I see A million dreams is all it's gonna take Oh a million dreams for the world we're gonna make Special things I compile each one there to make you smile on a rainy day They can say, they can say it all sounds crazy They can say, they can say

we've lost our minds I don't care, I don't care if they call us crazy Run away to a world that we design Ev'ry night I lie in bed The brightest colours Fill my head a million dreams are keepin' me awake I think of what the world could be a vision of the one I see A million dreams is all it's gonna take Oh, a million dreams for the world we're gonna make To the world I close my eyes to see I close my eyes to see 'Cause ev'ry night I lie in bed the brightest colours Fill my head A million dreams a million dreams I think of what the world could be a vision of the one I see A million dreams is all it's gonna take a million dreams for the world we're gonna make for the world we're gonna make
