

# An Earth Song - Lyrics

## Soprano

It's an earth song, And I've been waiting long for an earth song. It's a spring song And I've been waiting long for a spring song. And I've been waiting long for a spring song. Strong as the first child from its mother's womb, Strong, oh so strong, It's an earth song. A spring song A spring song, A spring song, I have been waiting long for this spring, long for this spring song. It's an earth song And I've been waiting long for an earth song. It's a spring song, And I've been waiting long for a spring song. I have been waiting long for this spring song
