Soprano 1

See thru the confusion, it's not hard to do, it's just an illusion this me and you. See thru the confusion, it's not hard to do, it's just an illusion this me and you. See thru the confusion, it's not hard to do, it's just an illusion this me and you. See thru the confusion, it's not hard to do, it's just an illusion this me and you. I am a part of you, you are a part of me, and so together we are one body I am inside your head, you are inside my heart We fit together perfect from the start! I am you are me. That's What I said, I am you are me See thru the confusion, it's not hard to do, it's just an illusion this me and you. See thru the confusion, it's not hard to do, it's just an illusion this me and you. See thru the confusion, it's not hard to do, it's just an illusion this me and you I am a part of you, you are a part of me and so together we are one body. I am inside your head, you are inside my heart. We fit together perfect from the start! I am a part of you, you are a part of me, and so together we are one body. I am inside your head, you are inside my heart. We fit together I am you, you are me, we are one body. Inside your head, inside my heart we fit together, perfect from the start!
