

Earth Song

Michael Jackson

What about sunrise, what about rain?
What about all the things that you said we were to gain?
What about killing fields, is there a time?
What about all the things that you said was yours and mine?

Did you ever stop to notice all the blood we've shed before?
Did you ever stop to notice the crying Earth, the weeping shores?

CHORUS

Ah.....

Oo.....

What have we done to the world? Look what we've done.
What about all the peace that you pledge your only son?
What about flowering fields, is there a time?
What about all the dreams that you said was yours and mine?

Did you ever stop to notice all the children dead from war?
Did you ever stop to notice the crying Earth, the weeping shores?

Chorus x 2

I used to dream, I used to glance beyond the stars,
Now I don't know where we are, although I know we've drifted far.

Chorus x 2

(key change)

Earth Song

Michael Jackson

Chorus x 2

What about yesterday? What about us?
What about the seas? What about us?
The heavens are falling down. What about us?
I can't even breathe. What about us?
What about the bleeding earth? What about us?
Can't we feel its wounds? What about us?
What about nature's worth? Oo.
It's our planet's womb.

What about animals? What about us?
We've turned kingdoms to dust. What about us?
What about elephants? What about us?
Have we lost their trust? What about us?
What about crying whales? What about us?
We're ravaging the seas. What about us?
What about forest trails? Oo.
Burnt despite our pleas.

Chorus x 2
