

One More Circle

Peter Mayer

We have been weighed down by sadness like a stone,
we have yearned, we have yearned,
We have sometimes felt so utterly alone,
while we turn, while we turn,
We've been stricken by the wonder of it all,
Stricken dumb, stricken dumb
We have sometimes felt so faint we want to fall,
Overcome, but all in all,

Chorus:

I'd say this year in flight together has been fun,
What say we make one more circle round the sun,
I'd say this year in flight together has been fun,
What say we make one more circle round the sun.

We have raised our fists in anger and we've tried to
work it out, work it out,
That we need each other we cannot deny,
there's no doubt, there's no doubt,
so let us weave another dream in outer space,
while we're turning, while we're turning,
On this planet home that holds our human race,
we're still learning, but all in all,

Chorus

make one more circle, make one more circle,
make one more circle round the sun.
