

Over the Rainbow

All	When all the world is a hopeless jumble and the raindrops tumble all around, heaven opens a magic lane.
T&B	When all the clouds darken up the skyway, there's a rainbow highway to be found,
All	leading from you window pane to a place behind the sun, just a step beyond the rain. Somewhere over the rainbow way up high there's a land that I heard of once in a lullaby. Somewhere over the rainbow skies are blue, and the dreams that you dare to dream really do come true.
T&B	Some day I'll wish upon a star and wake up where the clouds are far behind me.
S&A	Where troubles melt like lemon drops, away above the chimney tops that's
	S&A: where you'll find me. T&B: that's where you'll find me.
All	Somewhere over the rainbow blue birds fly Birds fly over the rainbow, why then, oh why can't I?
	Piano
S	If happy little bluebirds fly beyond the rainbow,
All	why, oh, why can't I?
