

Riversong - Lyrics

Soprano

River rushing down the mountainside, River racing with the breeze, lead me through the forest and the trees. River, run me to the ocean. River, take me to the sea. River, show me to a distant shore River, run! Set my spirit free. River roaring through a craggy glen, river rushing to the tide, you will be my refuge and my guide. River reaching out for many miles, though the journey will be long, grant the will and courage to be strong. River, run me to the ocean. River, take me to the sea. River, show me to a distant shore River, run! Set my spirit free. Even in the darkness, even in the night, lead me through the shadows, to the morning light river run me to the ocean River take me to the sea. River, show me to a distant shore River, run! River, run! River, run! Set my spirit free. Set me free. Free
