

Seasons of Love

Jonathan Larson

A Five hundred twenty five thousand six hundred minutes,
five hundred twenty five thousand moments so dear.
Five hundred twenty five thousand six hundred minutes,
how do you measure, measure a year?

B In daylights, in sunset, in midnights, in cups of coffee;
in inches, in miles, in laughter, in strife?
In five hundred twenty five thousand six hundred minutes;
how do you measure a year in the life?

C How about love? How about love? How about love?
Measure in love.
