

# Stand by Me - Lyrics

Soprano

When the night has come and the land is dark and the moon is the only light we'll see, No, I won't be afraid, no I won't be afraid just as long as you stand stand by me. So, darling, darling stand by me oh Stand by me, oh stand stand by me stand by me If the sky that we look upon should tumble and fall or the mountain should crumble in the sea No I won't cry, I won't cry, no I won't shed a tear just as long as you stand Stand by me.
