## NEWS FROM NEST

Started in 1986 by three Lutheran churches in Winnipeg's North End, today NEST is a cooperative ministry of five Lutheran and two United churches plus other groups and individuals, not just from the North End, who want to invest time, energy or material resources to provide safe haven for refugees in Canada.

We began with the sponsorship of a mother and daughter from Eritrea, and in the past 17 years we have sponsored over 100 persons in 20 families from 15 countries. This year on May 28, we completed the sponsorship of the Mateus family from Columbia (mom, dad, two daughters). We welcomed Margaret Cowan from Sierra Leone on July 24, with her daughter Rosamond and nieces Jannette and Frances. Also in July we provided safe haven for a family of four, at risk, from eastern Europe. We are awaiting the arrival of a family of three from the Democratic Republic of Congo, and a family of five from Togo. As well we are facilitating six family linked sponsorships.

Each family is provided with a team of "caregivers", people like you, who assist newcomers in adjusting to life in Canada. Presently teams at Epiphany Lutheran and Transcona Memorial United are helping with such things as finding a place to live, banking, transportation, schooling, shopping, medical care, etc. As we have been told by refugees, this help and friendship makes all the difference in the world.

The more caregivers we have, the more refugees we can sponsor. If you are interested in sharing your time, talents and financial resources with the NEST team, please call Jim Mair (chair) at 632-4757.
