ROTARY INTERNATIONAL DISTRICT 5550

## What is Rotary?

- A grassroots international network of business and professional people in clubs
- United by the desire and commitment to serve about self.
- Friendship and Goodwill
- No boundaries of faith, race, politics, gender or country of origin
- A movement, not an institution

## About Rotary WPP

Rotary International District 5550 Peace Partners Committee ("WPP") inspires, promotes and facilitates globally significant peace efforts. WPP facilitates peace, justice and human rights through education, example and service above self.

WPP is a standing committee of Rotary International District 5550 Inc. There are over 500 Rotary Districts in the world with over 34,000 clubs.

A key component of WPP work is supporting educational programs that encourage a more sustainable and peaceful world, beginning with the awareness that responsibility for peace begins with oneself. The objective of the projects of WPP is to encourage and foster the advancement of international understanding, goodwill and peace - one person at a time.

WPP focus is to promote international understanding by bringing together people from different countries and cultures, different faiths, NGOs, educational institutions, businesses and professions and other groups of human beings of all types in ways and for purposes that will contribute to peace, justice and human rights.

## ***District 5550 is an international centre for peace building and human rights.***

Grassroots Rotary service is strong in District 5550. The Rotary Club of Winnipeg is what made Rotary International in 1910 as the first club outside of the USA. There are now 48 Rotary Clubs and 3 Rotoract (ages 18 to 30) Clubs in District 5550, including Northwestern Ontario, Manitoba and most of Saskatchewan.

In 1935 the Rotary Club of Jerusalem told the Winnipeg Rotary Club: "You set the Rotary Wheel in motion on a journey which shall never end until world peace is accomplished".

## About Bluesky Woman/ Morning Star (Grandmother Carol)

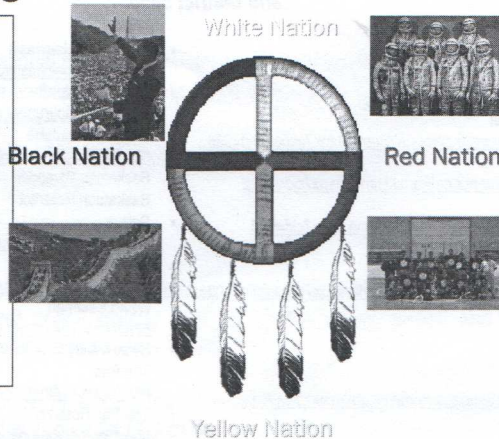

Carolyn Moar walks with two spiritual names which are "Bluesky Woman and Morning Star". For her, "Morning Star" means the very beginning of a new day, just as the sun is coming over the horizon. She is band member of Sagkeeng First Nation and has two sons, one daughter-in-law and five grandchildren, as well as one spiritual son and one spiritual grandson. She is telling stories in order to teach people, what they first have to do is respect themselves, and to live life in balance and harmony.

She is doing a teaching of love, respect and acceptance within this land of many colors. Her message is that we need to respect one another (all 4 colours) to make a safe, happy and clean Mother Earth and Father Sky. We are all responsible.

To accompany her is Grandmother, "Standing with Stars", Elaine David, with her Hand Drum to give the Heartbeat of Mother Earth.

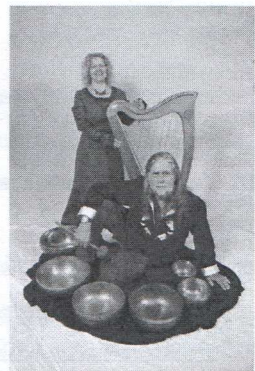

## THE 4 RACES

Red, Yellow,  
Black and White.  
Each race of  
people has  
language,  
customs, culture  
and nations. The  
methods and  
processes are  
different but, the  
ultimate is the  
same.

## About Lisa Marie Tucker and Craig Forster

Listeners are drawn into the magical world of Lisa Marie Tucker through her performances on Celtic harp, piano and voice. She weaves a tapestry of exquisite melodies, rich harmonies and eclectic rhythms, where ancient and new worlds unite. From her solo work to collaborations with Craig Forster on Tibetan Singing Bowls, Lisa has proven to be an innovative composer and performer. Like an alchemist, she melds story and music together in a spellbinding experience that elevates the human spirit. "Lisa is an angel of musicality, and should have wings. Her interaction with the audiences is to be treasured, as she's no distant, stand-offish musician by any means! She invites response and participation and I think that in that, she exhibits the true spirit of communal musical sharing" (Larry Fisher, Harpmaker, Winnipeg).

As John Iverson (Stylus magazine) put it, "her mastery of the instrument is exceptional, her playing very polished, and her compositional skills are extraordinary." As a composer, performer, recording artist, teacher and sound healer, Lisa inspires audiences internationally to connect with their deepest self, others, the earth and beyond. Lisa says that, "music is vibration, we are vibrational beings: in essence we are part of the cosmic symphony, so play on!"

## About Spirit's Call Choir

Spirit's Call Choir is an inclusive, non-audition community choir that supports:

- **personal harmony** - singing to bring balance and joy to our inner being
- **choral harmony** - singing to create beautiful sound in our vocal community
- **global harmony** - singing to support transformation, equality, justice and peace

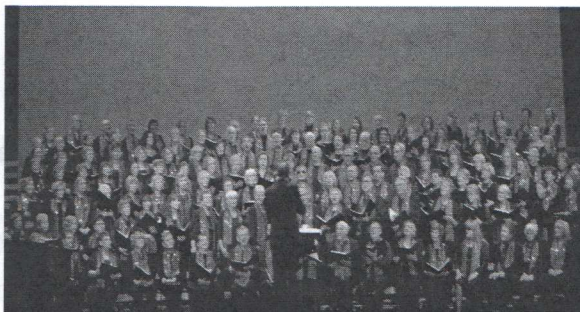

**The September 21st Peace Partners concert is an ideal fit for Spirit's Call Choir's vision to support global harmony through joyful song. It is an honour to be part of this special program to support peace, harmony and justice in our world.**

Spirit's Call Choir is a Winnipeg offering of Spirit's Call™. Spirit's Call™ was founded in Vancouver in 1996 by Merv Campone and Dorothy Becker to contribute to the transformation of consciousness and support personal and universal harmony and balance through the integration of healing, learning and the arts. Winnipeg's Spirit's Call Choir makes real the founding vision to raise money for development work through the creative arts.

Spirit's Call Choir started in an "Explorations of the Self" workshop with Margaret Tobin and Dorothy Becker in November 2000 when people who thought they couldn't sing found their voices and decided to form a choir. The choir has grown to 165 members and now includes novice to accomplished singers, dancers and musicians. Spirit's Call Choir presents 2 benefit concerts a year, has raised over \$150,000 for worthy causes locally and globally and got the Mayor's Volunteer Service Award in 2010. The choir has released 2 CD's - *One World, One Voice* (2009) and *Together in Harmony* (2005). Spirit's Call Choir was founded on the principle that singing is the birthright of everyone. It offers a supportive and welcoming environment for reclaiming voice and spirit and welcomes all who want to find their voice and sing for joy.
