Wolseley Family Place is a non-profit, community-based resource centre that has been working with families with young children in inner-city Winnipeg for over 20 years. We recognize that the wellbeing of families is linked to the conditions of their lives and their ability to influence these conditions. Using a strengths-based approach, Wolseley Family Place supports participants in developing the knowledge, skills, and confidence that is needed to care for themselves and their families. Our programs and services include: early childhood education (free licenced childcare, parent-child activities, family outings), support for basic needs (drop-in, food bank, clothing, computers, laundry), education (workshops on topics including parenting, health, nutrition, substance use, healthy relationships), recreational and creative programs (music, art, bingo, physical activities), pre-employment (catering social enterprise and supported work environment), and one-on-one support (personal development, advocacy, referrals to and from partner agencies).

Wolseley Family Place is honoured by the support of Margaret's Choir and community supporters like you. The proceeds from this concert will help us deliver programming like our Music Circle, where parents and toddlers bond and learn together through singing, dancing, and playing musical instruments under the guidance of a music therapist.

This concert could not have come at a better time for us. In the coming year, Wolseley Family Place will be moving from our home for the past 20 years to a new location. The move will be a challenge and present significant costs, but it is also an opportunity for a fresh start in a space that can better meet the needs of our participants. We will need all the support we can get through this process!

Thank you for your support of Wolseley Family Place – together, we are making a difference in the lives of families! www.wolseleyfamilyplace.com

About Margaret's Choir

Margaret's Choir was founded on one woman's belief that everyone should be able to experience the joy of singing. In 2000, when a group of students said they couldn't sing, she encouraged them to try singing together. With mutual support and encouragement, and eventually with professional direction, that initial handful of "non-singers" grew to become "Spirit's Call Choir". In 2014, the name was changed to "Margaret's Choir" to honor its founder, Margaret Tobin (1946-2014).

Now a choir of close to 200 members of all capabilities, Margaret's Choir sings in joyous four part harmony under the outstanding direction of Vanessa Nowostawski, accompanied by the talented Charmaine Bacon. As a non-audition, community choir, Margaret's Choir provides a welcoming and supportive environment for all who want to sing, whatever their experience. Singing from the heart, the choir performs two benefit concerts each year and have raised over \$254,250, monies which have been returned to the community, promoting and supporting many worthy organizations. These charities, in turn, support the well being of children, youth, and adults, including newcomers to Canada. Margaret's vision of a choir which sings for joy and for personal, choral and global harmony is still flourishing.

The Dirty Catfish Brass Band's aim is to inspire, create and instigate – but, mostly, they just want you on your feet. Undeniably tight, yet reckless as hell, The Dirty Catfish Brass Band (DCBB) deals in powerful phrasing and performances drenched with rhythm. Invoking the sounds of the New Orleans brass tradition, the collective dares to reimagine the streets of a prairie city as one that is hot, alive, and brimming with soul. Based in Winnipeg, MB, the crew strives to surprise, challenge, tickle and pay homage to the New Orleans tradition by giving it a new audience in an unsuspecting locale. In true Louisiana tradition, these boys stick to the spontaneity of festivals, alleyway performance and all around late nights. The band doesn't ask permission to play, and the crowd certainly doesn't ask them to stop.
